

Final Info Sheet to ALL Cambridge Sixes Teams

A big thank you to everyone for the response to our previous requests. We're looking *good* for Saturday's big event. Big? With 43 teams (we still need a lucky last team) signed up to date it'll be the biggest one-day tournament in the country. A few final notes:

Location – the magnificent Sir Don Rowlands centre at Gate 2 of the Karapiro Domain.

- If you're approaching from the North, just follow the new Cambridge bypass section of the Waikato expressway all the way to the end where it links into the familiar road to Tauranga. Keep going about 1km until you see the turn off to Karapiro village – first road on right. Follow that down to the river and cross the dam. Make a left turn and follow the signs to Gate 2.
- If you're coming from the South on the road from Te Awamutu look for a right turn at Lamb St by the big power pylons as you approach Cambridge. It is signposted to the Lake. Go straight - across the top end of Leamington and you'll get there eventually
- If you're coming from the East you have the choice of crossing the river at the Horahora bridge or carrying on down SH1 to Karapiro
- Anyone coming from the West should know where it is anyway but head up Shakespeare St in Leamington and turn left at Browning St or Lamb St at the top end
- If you get lost please call event manager Bill on 027 287 0596. We'll text those of you who supplied a cell phone number in the unlikely case of the dam being closed.

Please note – play starts at 9:30am

Morning munchies will be available from 9:00 and there'll be a coffee cart out front. We aim to finish by 5:20pm in time for you to explore Cambridge's many fine choices of eatery before heading home.

Things you may like to bring:

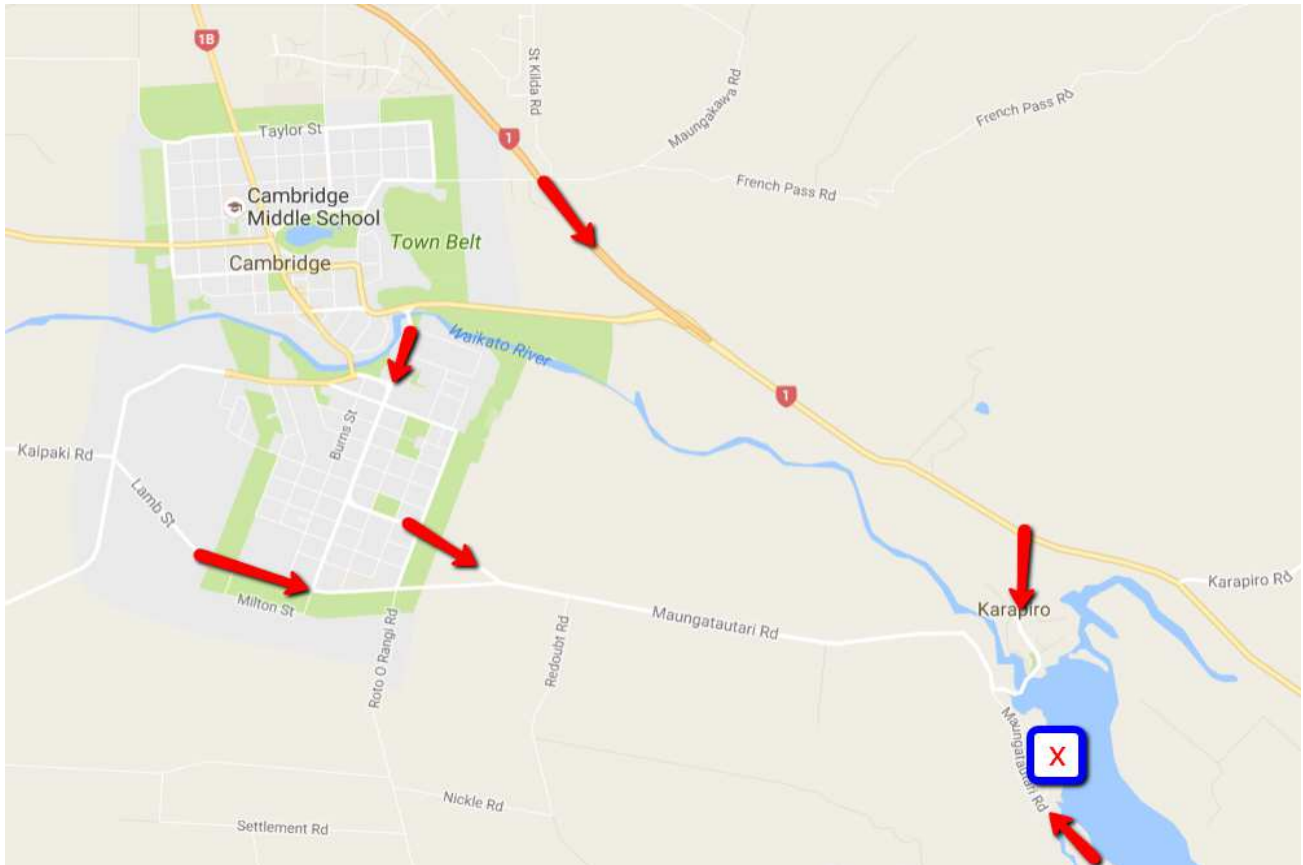

- Fantastic themed costumes for your team
- Wireless devices so you can hook into the wi-fi and view results as they are posted on www.cambridge.bridge-club.org – avoid the scrums around the big screens
- A water bottle to reduce chance of spillage
- Your own lunch if you have special dietary requirements

When you arrive:

- Please appoint one person to report your team in to reception
- Important - let us know of any team changes asap – e-mail pccoles@clear.net.nz
- Tables have TWO numbers – the usual playing table number in each section and the Home table number. Your team will gather at their designated home table before and after each round. It being Swiss Pairs you are unlikely to ever *play* at your home table as the draw will send you all over your section each round depending on your result in the previous round. It's only a bit confusing until lunchtime

Looking forward to seeing you all on Saturday

The Cambridge Sixes Team
